

Older People's Hub: A space for older adults

Planning for the Hub

Monday 3 March

Open from 10 am for a 10.30 start, finished by 1 pm

Age UK Leeds, Bradbury Building, Leeds, LS2 8JA

This month, join us for a cup of tea and a light lunch whilst we plan for the coming year@

- What issues would you like to see discussed at the Hub?
- How can we improve the Hub?
- What works and what doesn't?

We will also be joined by a speaker from Leeds City Council to discuss their Customer Contact Strategy and Digital Survey.

This Hub is a space for older people. Organisations are welcome but we encourage you to bring your older members along with you.

LOPF has a small budget to support people with travel needs. If you need help with transport give us a call on 0113 2441697 or drop us an email to info@opforum.org.uk
